Follow-Up — Request for Comment Regarding Gorham Democrats / Graham Platner

Hello,

I am following up on a request for comment I submitted to the Gorham Democrats on July 8, 2026.

The Gorham Democrats responded that morning stating that they had forwarded my request to the Maine Democratic Party. I have not received a substantive response since then.

The original questions concerned the apparent removal or unavailability of the Gorham Democrats' post regarding Graham Platner's postponed appearance, as well as the apparent blocking of my account from the organization's Facebook page.

Before determining whether to publish an update, I wanted to provide one additional opportunity for the Maine Democratic Party and/or Gorham Democrats to respond or provide any additional context.

If the Party does not intend to comment, confirmation of that would also be appreciated.

Thank you,
