Hello,

Thank you for your response and for advising that the request was forwarded to the Maine Democratic Party. I appreciate your time.

With that referral, The Maine Mirror considers this particular correspondence with the Gorham Democrats concluded.

As part of The Maine Mirror's Correspondence Accountability Project (CAP), completed correspondence is reviewed using standardized measures of responsiveness and transparency.

The final findings for this exchange are **Moderate Responsiveness** and **Minimal Transparency**. The responsiveness finding recognizes that the inquiry was acknowledged within approximately 47 minutes and referred onward. The transparency finding reflects that the five substantive questions contained in the inquiry were not answered within this correspondence.

CAP evaluates only the documented correspondence and does not assign motive or treat unanswered questions as evidence of wrongdoing.

Attached you will find the CAP Summary documenting the final assessment of this correspondence.

No additional response is requested or expected. Unless materially new information develops, The Maine Mirror considers this correspondence closed.

Thank you again for your time.

Respectfully,

Ryan Michaels
