22 | 2026-11-12

In-person / Sanford DHHS - Michaels visited the Sanford DHHS office seeking to speak with Nate Oliver about the records-review request for which DHHS had directed him to Oliver. The front desk employee said she did not know whether Oliver was in that office or where he was. She stated that OCFS staff directed her to tell Michaels to call Oliver and provided his telephone number. Michaels told her he already had the number and had been calling for years without receiving a return call, which was why he had come to the office.
